

REPAIR AFFAIR PROGRAM

- Do you live in the City of Paducah?
- Do you own your house?
- Do you need minor home repair help?
- Does your household income fall below the Area Median Income?

If you answered yes to these 4 questions, you may qualify for our Repair Affair program! Repair Affair is a volunteer based program. The work that can be completed depends on the number and skill level of volunteers.

Repairs may include yard work, flooring, steps, door/window repair, minor plumbing, electrical or mechanical repairs, exterior/interior painting, roof work, drywall repair, etc.

EMERGENCY REPAIR ASSISTANCE PROGRAM

- Are you on disability?
- Are you 60 years old or older?
- Do you own your house?
- Do you need to make your home more accessible?
- Does your household income fall below the Area Median Income?

If you answered yes to most of these 5 questions, you may qualify for our Emergency Repair Assist program! Repairs may include installing grab-bars, handrails, and ramps, updating plumbing, wiring, heating, or roofing.

Emergency Repair Assistance Program is only for disabled and elderly homeowners. Prior to work you must show proof of disability or age.

These programs are **NOT** a re-decorating, remodeling, or total rehab program.

Typical repairs focus on safety, security, accessibility, maintenance, and weatherization.

All applicants will be contacted. Midtown Alliance of Neighbors staff will talk with you and come for a site visit.

If your home is chosen for either program, you will be asked to provide documents:

1. Confirmation of income (Social Security Income, pay stub, etc)
2. Proof of home ownership (deed)

Please note: We are not able to help everyone. Some projects may be too big for these programs, but we will work with you to find other resources.
